

**Join us for an important Industry meeting in your area!**

The Alliance of Beverage Licensees (ABLE BC), is making the time to come to your community or area for some very important face to face time with industry colleagues. As the voice of liquor licensees in BC it is important to hear what you have to say about issues you may be facing or ways ABLE can help your business. Talk to us about Credit Card rates, HST, Due Diligence, BDL, Door Staff, Enforcement issues, lotteries – we want to hear what you have to say.

If you or a member of your staff could join us, it'd be great to meet you!
