

**Join us for an important Industry meeting in  
June 2009!**

The Alliance of Beverage Licensees (ABLE BC), is making the time to come to your community or area for some very important face to face time with industry colleagues. As the voice of liquor licensees in BC it is important to hear what you have to say about issues you may be facing or even just things that are working well for you.

If you or a member of your staff could join us, it'd be great to meet you!
