

DOOR STAFF UPDATE

Posted April 2009

NEW BST program is now available!

Previously 2 courses, Basic Standards Training 1 & 2 were required for Door Staff in order to receive the Certificate of Completion required to obtain a Security Worker license in British Columbia.

After a lot of hard work from the team at ABLE BC, Door Staff are now only required to successfully complete **one 40 hour course: *Basic Security Training*** to meet these licensing requirements.

For a list of schools approved by the Justice Institute of BC who are currently offering the NEW BST program please click on this link:
