Dear ABLE BC Member,

Did you know that your ABLE BC membership entitles you to join the Members' Telecom Plan? This plan allows you to call anywhere in North America for just 3 cents per minute! We provide a detailed monthly billing statement – by email, paper or CD. We bill in 6-second increments so you only pay for the time you speak.

One low rate throughout Canada and to the U.S., on ALL your lines, faxes, and 800 numbers too. Just 3 cents per minute, and for 24 hours per day!

Also offered are **low International rates**: London - \$0.054 cents, Hong Kong \$0.04 cents, and China at \$0.08 cents just to mention a few.

We can also provide you with our **Associate Members' Calling Card (AMCC)** for when you are travelling in North America. For just **10 cents** a minute, and no additional operator surcharges, you can call across Canada and from Canada to the USA, and from the USA back into Canada.

There are **no contracts to sign, no access numbers to dial, and no monthly fees or minimum charges**. Signing up for the ABLE BC Members' Telecom plan is easy and it is available for you – just call me at 604-408-9448 or toll free 1-866-408-9448.

You are welcome to join the ABLE BC Members' Telecom plan and see the savings – if you are not satisfied we don't hold you to a contract. We understand your industry and would like to offer you these additional savings for your business.

Sincerely,

Dawne Nelson
Telecommunications Manager
